0800 096 6761

Our courses are run by a qualified fire trainer at your premises. A Certificate of Attendance will be issued on completion. Our 3 hour advanced fire safety course is designed for staff with fire marshal duties, and who may also be required to operate fire extinguishers safely.

Key Content:

- Fire precautions regulations and legislation , including Regulatory Reform (Fire Safety) Order 2005
- Chemistry of fire, how fire spreads and types, classifications and causes of fires
- Action on discovering a fire and calling the Fire Service
- Building safety features, and hazard spotting & reduction
- Fire notices
- Evacuation procedures, including persons with special needs
- Personal emergency evacuation plans and daily/weekly fire checks
- Staff induction
- Dealing with bomb threats (if requested)
- Fire extinguishers (theory and practice)
- Q&A session, open discussion & practical session

At Fireline, we also provide: Fire Extinguisher Supply & Servicing
Fire Alarm & Emergency Lighting Servicing | Fire Risk Assessments
Portable Appliance Testing (PAT) | Safety Signs | Dry Risers | Fire Accessories
